Schreibe die Zahlen unter die Noten.

A collection of musical notes for a counting exercise. The notes are arranged in two rows. The first row contains a quarter note with the number '1' below it, followed by an eighth note, a half note, a quarter note, a quarter note, a half note, and a whole note. The second row contains a quarter note, a whole note, a half note, a quarter note, a quarter note, and a whole note.

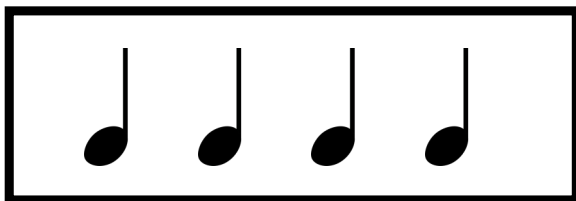

So kannst du kontrollieren, ob alles passt.

$$4 + 0 = 4$$

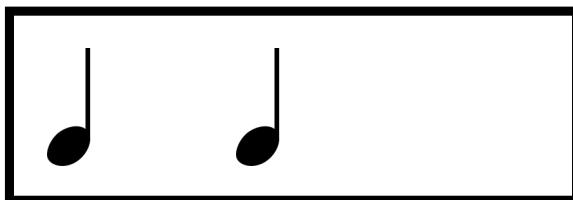

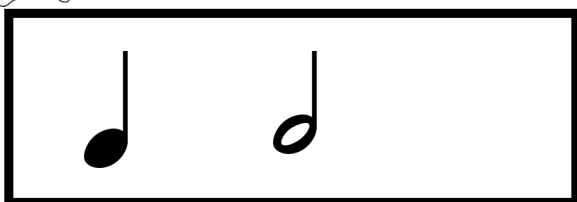

$$2 + 2 = 4$$

$$1 + 1 + 1 + 1 = 4$$

Bei jedem Kasten geht es nur bis 4

Kannst du es schon alleine?
